

Petrochemical Manufacturing

Ohio River Valley

Technology

- Ethane Cracker
- Fertilizer
- Methanol Plant
- ▲ Paint and Coating
- ▲ Petrochemical Manufacturing
- ▲ Plastic Product Manufacturing
- Ohio River

The ethane crackers in this map are in different stages:

- In PA, the facility is in construction
- In OH, the facility is in permitting phase; a final decision has not been made
- In WV (farthest South), the facility is highly uncertain
